

SAUNA AND BATHING REGULATIONS

General

Every guest should find relaxation and recreation in our wellness area. Therefore, mutual consideration and sufficient security must be ensured in this area. The following bathing regulations serve this purpose alone.

Terms of Use

- The **use of the sauna area and the bathing area** is possible for every guest, but at their own risk.
- **People in need of help and disabled people** may only enter and stay in the swimming pool area when accompanied by carers who have legal responsibility.
- We ask guests suffering from a communicable disease, open wounds or contagious skin rashes not to enter this area out of consideration for others. This also applies to guests who are under the influence of intoxicating substances.
- **Children under 13 are only allowed** to use the saunas and swimming pool when accompanied by an adult. Children are not allowed in the sauna relaxation room.
- We ask for mutual respect and consideration across generations.
- In general, the use of the saunas is only permitted with appropriate **towels as a base**.
- We ask for utmost peace in the **sauna relaxation room**. For this reason, there is no service provided by our employees in these premises. The consumption of food is also prohibited here. In addition, the relaxation room is not a nudist area.
- **Dogs and other pets** are welcome at the Strand-Hotel Hübner and the Park-Hotel Hübner, but they are not allowed to stay in the wellness area.
- The wellness area facilities must be treated with care.
- Swimming is only permitted in normal swimwear.
- The **use of cell phones** is prohibited in the interest of a calm and relaxed atmosphere for all wellness guests.
- The use of **glass drinking glasses** is not permitted in the wet area of the sauna or in the swimming pool. The consumption of food and drinks brought in is also not permitted.
- **Smoking** is prohibited in the entire wellness area.
- The **swimming pool is generally only used** after thorough body cleansing.
- **Jumping** from the edge of the pool, contaminating the water and entering or running on the edge of the pool is prohibited. **Bath toys** (e.g. air mattresses, balls, etc.) are also not permitted. (Exception: water wings for small children)
- It is not permitted to **reserve chairs and benches** with towels or other items.

- Please leave any **lost property** at reception. The hotel assumes **no liability for wardrobe** items or personal valuables brought into the wellness area.
- Without prejudice to the operator's obligation to keep the wellness area in a safe condition, no liability is assumed for force majeure, coincidence and defects that are **not immediately recognized** even when the necessary care is taken.
- **The hotel staff is authorized to expel guests from the area if they violate these sauna and bathing regulations.**

We wish you pure relaxation!
